

浙江大学宁波理工学院

Ningbo Institute of Technology, Zhejiang University

## CERTIFICATE LETTER

To Associate Professor Khliyeva Olga,  
Department of Thermophysics and applied  
ecology, V.S. Martynovsky Institute of  
Refrigeration, Cryotechnologies and  
Ecoenergetics, Odessa National Academy  
of Food Technology,  
112 Kanatnaya Str., Odessa,  
65039, Ukraine

This letter confirms that Dr. Olga Khliyeva has had remotely professional development in Zhejiang University Ningbo Institute of Technology from March 17, 2020 to June 17, 2020, within the framework of our current joint scientific project: «Experimental investigation and the eco-energy analysis of the efficiency of the vapor compression refrigeration system operating with the eco-friendly nano-refrigerants».

We will be happy to continue R&D cooperation with Dr. Olga Khliyeva in joint scientific research.

Sincerely yours,

Hu Changxing
